

Dear Colleague,

Invitation to the third AeRO National Forum: Skills Development and Education

The Australian eResearch Organisations (AeRO) who actively co-operate to advance eResearch nationally would like to invite you to the third National Forum.

Following feedback received from the first AeRO National Forum (<http://www.aero.edu.au/surveyresults>), AeRO is holding a national forum in skills development and education that aims to:

- Explore the challenges of skills development for those who work in eResearch
- Prioritise of actions to improve skills development
- Introduce a possible model providing longevity of educational resources
- Explore various sustainable ways in which skills can be developed and
- Establish a 2013 plan where AeRO can provide a supporting role

When: Sunday 28th October 2012 – 2:00pm to 5:30pm (refreshments will be provided)

Where: Sydney SMC Conference & Function Centre, 66 Goulburn Street, Sydney NSW 2000

RSVP: This is a free event, but places are limited.

Please RSVP by Friday 19th October 2012 for catering purposes to admin-ivec@uwa.edu.au

Before the event, please express your opinion on opportunities for skills development and educational provision within Australia for eResearch staff:

<http://www.surveymonkey.com/s/MVMDCH2>

All information is provided anonymously and will be used to develop the workshop.

Please extend this invitation to other organisations that might be interested in attending this event.

With kind regards,

AeRO
